Description:

An old enemy returns...with a new victim in the conclusion of The Battling McGuire Boys by New York Times bestselling author Cynthia Eden Private investigator Sullivan Sully McGuire has a reputation for danger. He's spent most of his life tracking the men who murdered his parents. The one woman who sees past Sully's predatorial pursuit is the wife he abandoned years ago. But Celia James has returned, this time with a target on her back. In order to save Celia, Sully is forced to resurrect old demons. New dangers—and dormant desires—bring Sully and Celia close...

and old enemies even closer.

I've read many books by Cynthia Eden and find them enjoyable. This series was engaging and kept (most of) the characters from all the books involved in each. Sullivan was built up throughout the series as being darker and darker in each book. His brothers all knew something had happened to him in his military past, but he wouldn't open up. Only his brother Mac is aware of the secrets that turned their fun brother so serious. I had honestly thought with all the build up, Sully would have been much darker in his own story. The author seemed to lighten him up almost instantly because his ex-wife has come back into his life. Celia James comes back into Sullivan's life because of Mac's story (last book), but ends up in danger because she's been working all her CIA contacts to find out who killed the McGuire's parents. She's uncovering secrets people don't want revealed and she pulls Sullivan into it. Only his protective instincts kick in, along with wanting to know who killed his parents. Their story is filled with revealed secrets, twists, turns and of course passion. I just felt Sullivan softened a bit too quickly for the build up of how dark he'd become. The reveal of the killers took the whole family on a wild ride at the end. A twist thrown in at the end that was never indicated throughout this mystery. A good conclusion to the mystery and hopefully a chance for this little town to stop with all the murders, explosions, and stalkers this family has gone through in these 6 books.

Allegiances (The Battling McGuire Boys) in Romance pdf books

## Allegiances (The Battling McGuire Boys)

**(The Boys) McGuire Allegiances Battling** I have been reading for many years and kudos to you. Unfortunately, Guy was a confirmed bachelor. A great book for sounds and basic word recognition.
